

ATM & NIGHT DROP FACILITY SAFETY NOTICE

JSC Federal Credit Union cares about our member's safety and we urge everyone to use precautions when using any ATM or Night Drop Facility. Please remember to always be alert and exercise caution when using any ATM or Night Drop Facility. The following suggestions may be helpful:

- 1.** Prepare for your transactions before you arrive to minimize your time at the ATM or Night Drop Facility.
- 2.** Mark each transaction in your account record, but not while at the ATM or Night Drop Facility.
- 3.** Do not lend your ATM/Debit Card to anyone.
- 4.** Do not leave your ATM/Debit Card, a receipt, or any other documentation at the ATM or Night Drop Facility.
- 5.** Protect the secrecy of your personal identification number (PIN). Protect your ATM/Debit Card as though it were cash. Do not tell anyone your PIN. Do not give anyone information regarding your ATM/Debit Card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Do not write your PIN where it can be discovered, such as on the card sleeve or anywhere in your wallet or purse.
- 6.** Prevent others from seeing you enter your PIN by using your body to shield their view.
- 7.** If you lose your ATM/Debit Card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic funds transfers for additional information about what to do if your card is lost or stolen.
- 8.** When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or Night Drop Facility. At night, be sure that the facility (including the walkways and parking area) are well lit. Consider having someone accompany you when you enter the facility. If you observe any problems, you might consider using another ATM or Night Drop Facility or coming back later.
- 9.** Do not accept assistance from anyone you do not know when using any ATM or Night Drop Facility.

10. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card, and leave. You might consider using another ATM or coming back later.

11. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home or other secure surroundings.

12. When using a drive-up ATM or Night Drop Facility, make sure all the car doors are locked and all of the windows are rolled-up, except the driver's window. Keep the engine running and remain alert to your surroundings.

13. We want our ATM and Night Drop Facilities to be safe and convenient for you. Therefore, please tell us if you know of any problems with any facility by calling us at 281.488.7070 or 800.940.0708. For instance, let us know if a light is not working or if there is any damage to a facility. Please report any crimes to both the operator of the facility and the local law enforcement officials immediately.

To report a problem with any JSC FCU ATM or Night Drop Facility, please call us at 281.488.7070 or 800.940.0708.

To report a lost or stolen JSC FCU ATM Card, please call 281.488.7070 or 800.940.0708.

To report a lost or stolen JSC FCU VISA Check Card or VISA Credit Card, please call 866.692.9364.
